Ex. 5 - Attorney Client

but I wanted to confirm that that was what our basis was.

Ex. 5 - Attorney Client

back and confirmed that to be accurate.

I'm having a very hard time finding responses to the specific comments

Ex. 5 - Attorney Client

so what I'm doing is just re-writing up the comment, indicating what I THINK our answer is (depending on whether I can guess correctly), and will leave it to you all to make sure we have a response.

Given that Allison has a drop dead date for the responses to comments, it may be that we may need to develop a supplemental comment-response document because we will need much tighter responses to focused comments than are in the current draft.

Thanks,

Steve
